EduSkills Internship Guide

Credit related issues:-

Steps:

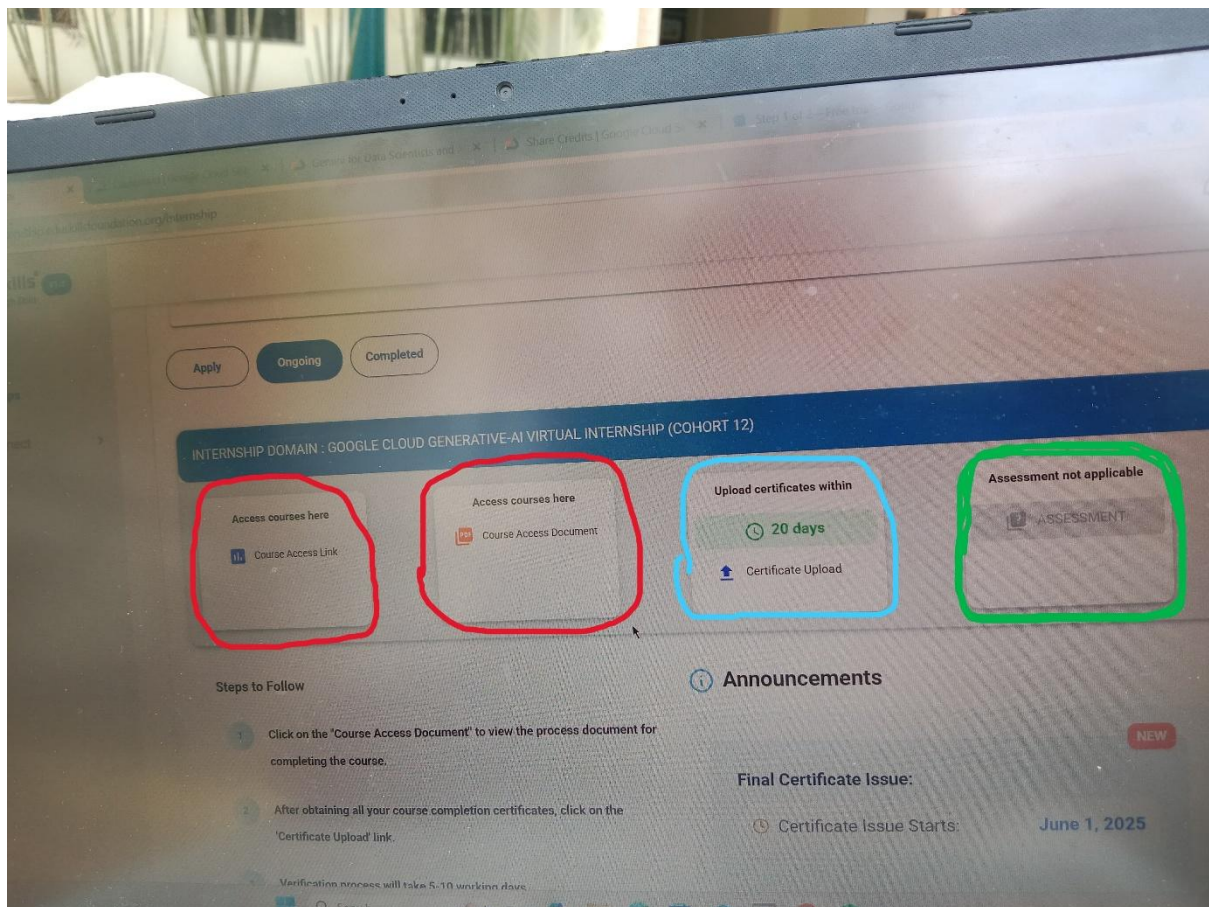

1. Go to the [Google Skills Boost](#) website.
2. Sign in to **My Account**.
3. Click on **Credits** (where it usually shows "0 credits").
4. Click on **Subscriptions and Credits**.
5. Then click on **Buy Credits or Subscriptions**.
6. Choose the **Innovator** plan.

Note 1 : Do **not** pay any amount if it asks you to for the Innovator plan.

Note 2:

Once activated, you will receive **35 credits** from Google every month as part of the Innovator program. These credits won't be used by your chosen EduSkills internship, but they can be helpful if you encounter any credit-related issues.

Course and Assessment related issues:-

Steps:

- You can access the course by clicking on the **red blocks** .
- After completing the course, you can upload your **public profile link** by clicking on the **blue block** .
- Once the course is completed, you can access the **assessment link** (it will become available) by clicking on the **green block** .

Note:

The assessments may contain **more or fewer MCQ questions** depending on the internship you have chosen.

Public Profile related issues:-**Steps to Solve:**

1. Go to [Google Skills Boost](#).
2. Go to **My Account**.
3. Click on **Personal Info**.
4. Check the box to **make your profile public** (after checking the box, your public profile link will appear).
5. Click on **Update Settings**.
6. You can now **copy the link** and paste it in the **Certificate Upload** section.

Labs-Related Issues:

- 1) Students must follow all the instructions provided on the website related to the **chosen internship** while attempting labs.
- 2) Ensure that you **complete all video materials**.
- 3) **Regularly monitor** your progress on the **Learning Path**.
- 4) Also, make sure to **submit feedback** after each lab or study material.
